

Zero Tolerance Staff Abuse

Abuse to staff both verbal and physical abuse will not be tolerated.

We believe that all staff have the right to be protected from verbal abuse (including swearing) and physical abuse or assault, whether directed at or by witnessing it being directed towards another person in or around the academy.

We intend to create an environment in which and staff are free from abuse and treated with respect.

You may be asked to leave the academy site and we may impose a ban of coming onto the academy site under **Section 547 of the Education Act 1996**

We teach our students to be safe, respectful and responsible, thank you for supporting us to do this by modelling correct behaviour yourself.
