PREPARE FOR
YOUR Y11-12
MEETING

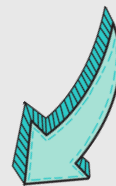

You will be invited to a progression meeting with a member of the Post 16 Team. This informal chat is to ensure that Post 16 would be the best fit for you, as well as to offer advice on subject choices and future aspirations.

One of the great things about our Post 16 is that we are able to offer a personalised learning journey.

Once you have had your progression meeting, you will receive a conditional offer of a place at Post 16, together with confirmation of the subjects you wish to study. These subjects are no way set in stone! If you do change your mind at any time, pop to the Post 16 Centre and see a member of the Post 16 team to discuss any changes you would like to make. Once you have received your conditional offer, you will need to concentrate on getting the grades you need to study at Post 16. It is really important that you accept your conditional offer ASAP, which will secure your place.
